**MARCH 2018**

## Greetings, Family!

Since our last gathering in August 2017, we have witnessed hurricanes, wildfires, floods, mass shootings in churches and schools, and seen unparalleled chaos in Washington, DC. Through all of the turmoil, God has kept this family safe and prosperous. I am blessed to be part of this loving and caring family which has gathered annually for 113 years and am honored to have been elected to serve as President for the next three.

My vision for this reunion is that it will go on for another 113 years. For this to happen, it is imperative that we have greater participation from our youth and young adults. I challenge each of us to reach out to our younger relatives, make sure they feel valued and needed, and impress upon them how important their involvement and leadership will be going forward. There is no future without them. Likewise, we must do a better job of recognizing our seniors (the 85+ group) on whose shoulders we have stood to get to this point. I am confident that this family, given its history, legacy and indomitable spirit, can achieve these goals.

Your Reunion Committee is working hard to make sure you have a positive reunion experience. In the meantime, let us continue to pray for one another, for the ties that bind us, and for a great RBMHB & Related Families 2018 reunion. I will keep you posted!

Graham Watt, Reunion Committee President
